WELCOME

INTRODUCTION

Our school provides exceptional music education that goes beyond traditional boundaries - building resilient minds and encouraging positive, multicultural perspectives. Our philosophy is grounded by the six focal points we know to be present in the most successful schools globally: personalised learning, mentorship, people growth, fostering community, constant innovation and brilliant basics.

At PIEDBELLS Music, we have a simple yet powerful belief: every child is a prodigy, and every child deserves the chance to learn music regardless of their future career path. Our commitment is to unleash their creative potential, nurture their discipline, and foster personal growth through the joy of music. Our approach is not just about teaching music; it's about empowering individuals to find their unique rhythm, fostering creativity, and providing a stage where dreams transform into harmonious realities.

PIEDBELLS Music stands out by encapsulating the spirit of exploration and self-belief in every child - with one common purpose: building a bridge and unleashing prodigies empowered to succeed. PIEDBELLS is an international, with students from over 4 continents, delivering music education in a wide range of instruments from Beginner Grade to Grade 8 (for all ages).

Welcome to PIEDBELLS Music - where the melody of music resonates with the promise of unlocking extraordinary potential in every child.

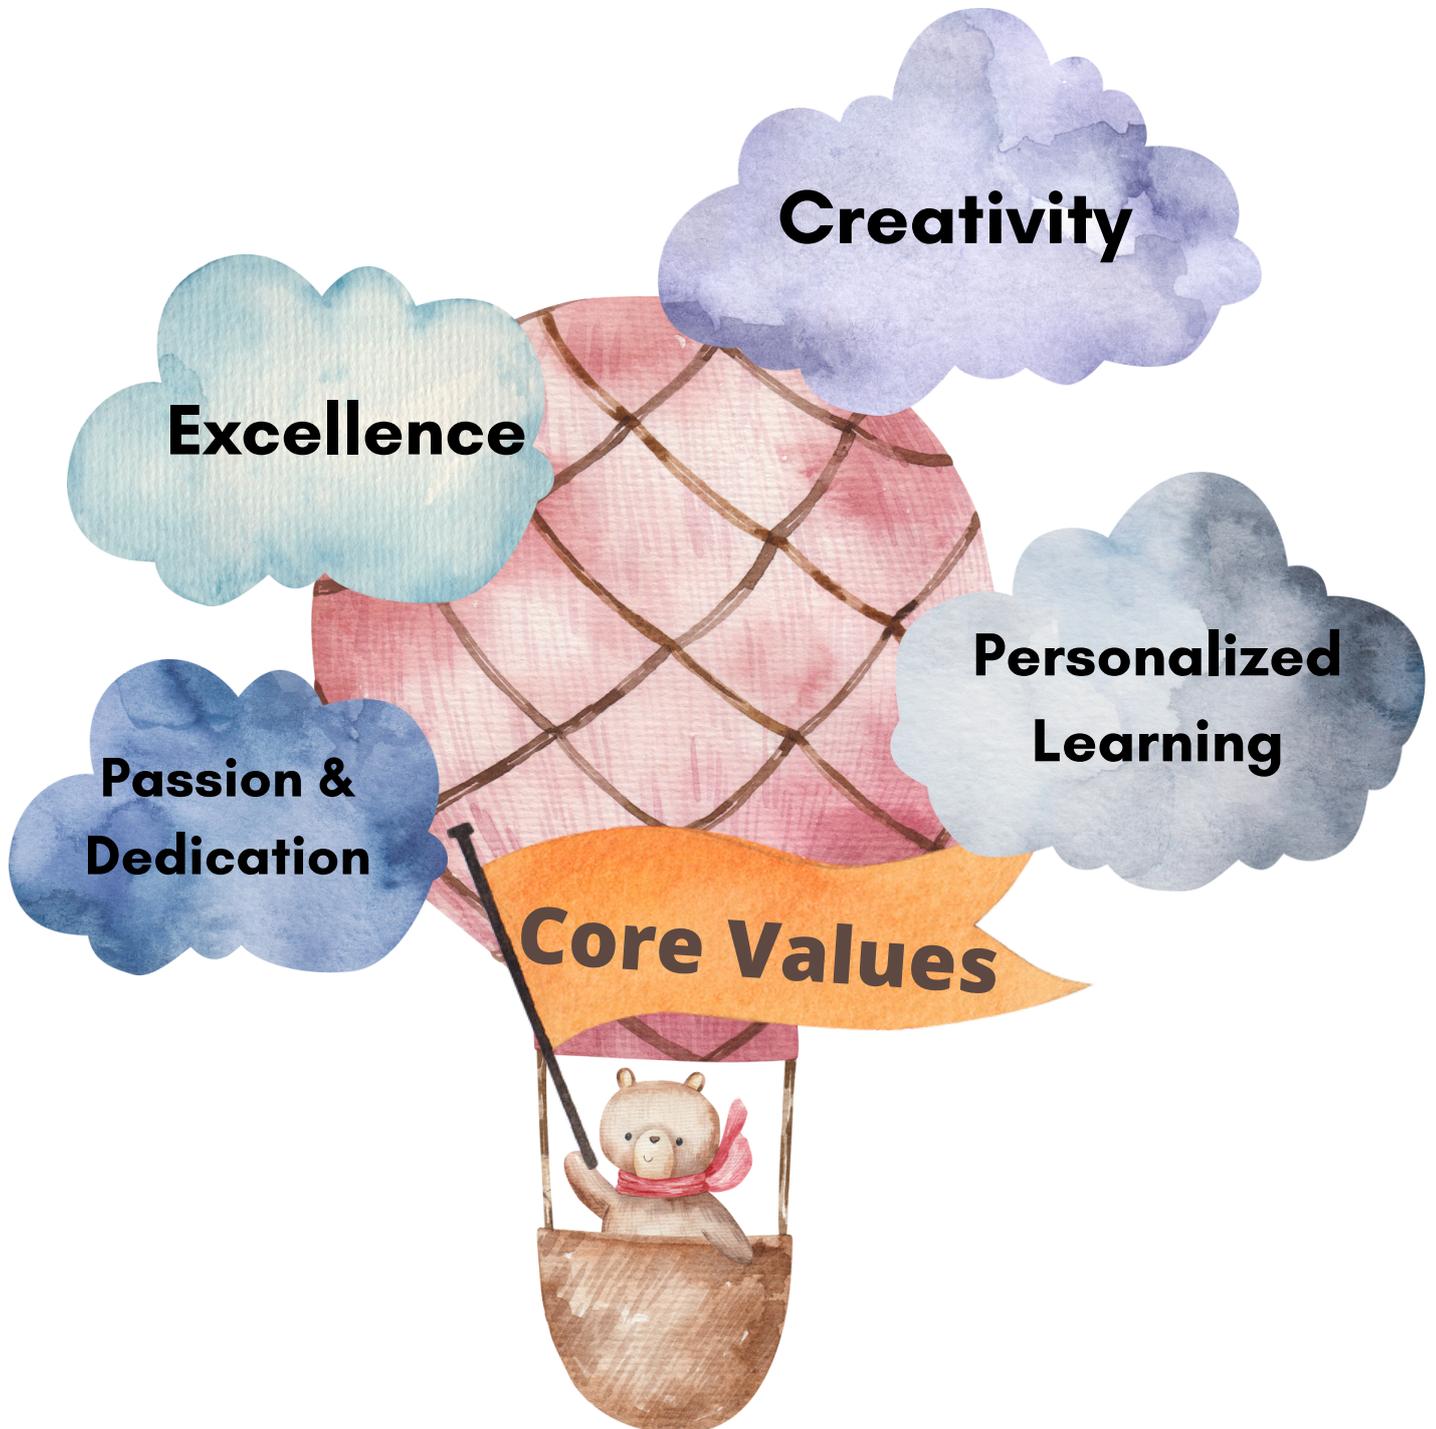

Vision

To become a beacon of musical excellence, inspiring world-class prodigies through the transformative power of music education.

VOCAL TRAINING

Unleash the power of your voice through our voice training programs. Our vocal coaches will guide you in developing your voice, enhancing your range, and mastering techniques to captivate any audience

OUR CURRICULUM

Our curriculum is thoughtfully designed to provide a comprehensive and well-rounded music education experience. Our curriculum encompasses various aspects of music, including instrumental technique, music theory, ear training, sight-reading, improvisation, and performance skills.

For beginners, our curriculum focuses on building a strong foundation in musical fundamentals. Students learn proper technique, note reading, rhythm, and basic music theory concepts. As they progress, they delve deeper into advanced techniques, music theory, and interpretation, allowing them to develop a deeper understanding and appreciation for music.

As students advance, they have the opportunity to explore different musical genres and styles, tailoring their learning experience to their musical interests and aspirations. Whether it's classical, jazz, pop, or contemporary music, our curriculum offers a diverse range of repertoire, ensuring students have a well-rounded musical education.

Performance is a vital component of our curriculum. We believe that performing in front of an audience enhances confidence, stage presence, and musicianship. Regular recitals, showcases, and ensemble performances provide students with valuable performance opportunities to showcase their progress and celebrate their achievements.

With a curriculum that combines technical proficiency, musicality, creativity, and performance skills, we strive to empower our students to become well-rounded musicians capable of expressing themselves through the language of music.

- **Expert Instructors:** Learn from highly qualified and passionate instructors dedicated to nurturing your musical talents.

- **State-of-the-Art Facilities:** Immerse yourself in music with access to our top-notch online and physical practice rooms

We are passionate about unleashing hidden talents.

- **Customised Learning:** Our programs are tailored to accommodate various skill levels, ensuring a personalised learning experience.
- **Performance Opportunities:** Showcase your talent at our regular recitals and events, building confidence and stage presence.
